BULL License Supplement for Power Enterprise Pools Addendum

This BULL License Supplement for Power Enterprise Pools Addendum ("Addendum") between BULL and Customer is in addition to the BULL License Supplement for Power Enterprise Pool in effect between Customer and BULL and identified below ("License Supplement") specifies the Authorized Machines that are in an Enterprise Pool (as such terms are defined in the License Supplement).

Authorized Machines and Enterprise Pools

The following Machines are each Authorized Machines that are installed in the specified country and will be assigned to the specified Enterprise Pool:

Installation Country: _____

Designated Enterprise Pool Name: _____

Server Type	Server Serial Number

This Addendum and the License Supplement are the complete agreement regarding Customer's right to assign and use Mobile Processors and Mobile Memory on each Authorized Machine, and replaces all prior communications, representations, undertakings, warranties, promises, covenants, and commitments between Customer and BULL regarding use of Mobile Processors and Mobile Memory. In entering into this Addendum neither party is relying on any representation that is not specified in the Addendum or License Supplement, including terms incorporated by reference. Additional or different terms in any written communication from Customer (such as a purchase order) are void.

Each party accepts, on behalf of its Enterprise, the terms of this Addendum by signing this Addendum (or another document that incorporates it by reference) by hand or electronically. Once signed, i) any reproduction of this Addendum made by reliable means (for example, electronic image, photocopy or facsimile) is considered an original and ii) all Mobile Processors and Mobile Memory configured for use on an Authorized Machine are subject to it.
